COMMENCEMENT AT ILLINOIS

The University of Illinois at Urbana-Champaign graduates wear custom regalia designed specifically for our campus.

Bachelor's students wear custom blue regalia with a blue mortarboard (cap). Students participating in the May 2017 ceremony will receive a special stole in honor of the sesquicentennial. Please see the stole picture to the right of the regalia. This stole replaces the traditional blue stole.

Graduates receiving their Master degree wear custom blue regalia with a blue mortarboard (cap) and University of Illinois at Urbana-Champaign hood.

Graduates receiving their Doctoral degree wear custom blue regalia featuring blue velvet with orange trim.
