

UNIVERSITY HONORS

2020 BRONZE TABLET SCHOLARS

The University Honors designation, the highest academic honor awarded to an undergraduate, is limited to those students who have demonstrated their capacity for sustained academic excellence of a high order. To be eligible for this honor, students must have a cumulative grade-point average of at least 3.5 and must rank on the basis of cumulative grade-point average in the upper 3 percent of their college graduating class on the basis of all work taken through the academic term prior to graduation.

University Honors recipients wear orange and blue braided cords as part of their formal academic attire.

As recipients of this honor, each of the following students will have his or her name inscribed on a bronze tablet that is displayed in the corridor of the University Library. For this reason, University Honors recipients are known informally as "Bronze Tablet Scholars."

Since 1867, the University of Illinois at Urbana-Champaign has tackled global problems and expanded the human experience. The more than 460,000 alumni worldwide have a history of turning what might be possible into a reality.

As you take your next steps, remember that the familiar Illinois orange and blue is never far away.

CONGRATULATIONS, CLASS OF 2020!

STAY CONNECTED

I ILLINOIS

This program contains an unofficial list of candidates for graduation on May 16, 2020, and a list of graduates who received degrees in August 2019 and December 2019.

The list of May graduates is as accurate as possible. However, because of printing deadlines, names of some degree recipients may not appear, while names of degree candidates may appear even though they have not completed their degree requirements.

The University's official registry for conferral of degrees is the Office of the Registrar,
901 West Illinois Street, Urbana, IL 61801.

Produced by the Office of Public Affairs in collaboration with the Office of the Registrar for the Office of the Chancellor. The University of Illinois is an equal opportunity, affirmative action institution. Printed on recycled paper with soy ink.
