ACADEMIC DRESS

Caps and gowns were first worn at Illinois Commencement in 1897. Today, graduating students and faculty members wear traditional academic regalia to signify the degree-granting university and the level of achievement. Graduates wear tassels on the right of their caps and move them to the left after degrees are conferred by the university president.

STOLE OF GRATITUDE

Students come to the University of Illinois Urbana-Champaign to change the world. While they're here, they find people who forever change their lives. The stole of gratitude provides graduates with the unique opportunity to reflect on their time at Illinois.

After commencement, new graduates can present the stole to a significant person who supported their personal and academic journey.

DEPARTMENTS OF STUDY

At Illinois, the tassels for bachelor's degree candidates, the lining of the hoods for master's degree candidates and the velvet edging on the hoods for doctoral candidates indicate the department of study.

TO THE CLASS OF 2021

On behalf of the University of Illinois Board of Trustees, and as a proud alumnus of the U of I System, I am honored to bring greetings and congratulations to the Class of 2021! You have been through so much to reach today's milestone, juggling your studies with the historic challenges of a global pandemic. In the process, you have done even more than achieve your dreams. You have also helped make our universities among the safest in our nation – a model for our peers – and I am deeply grateful for your understanding, your cooperation and your sacrifice. Although it has been a few years since I was in the seat you are in today, I still remember the mix of excitement and anxiety I felt, not knowing exactly what the future might hold. That feeling is understandable. But rest assured that the world-class education you received here, in and out of the classroom, has given you the foundation to succeed and flourish. As you head off to make your mark on the world, know you carry a bond that forever connects you to your years on this remarkable campus. You are joining one of the world's largest alumni networks – nearly 800,000 strong from across the U of I System's three, best-in-class universities. As our alumni have since our founding over 150 years ago, I hope you will carry our flag with pride. Your successes will carry us forward, adding to our global reputation for excellence and attracting the new generations of students who want to follow in your footsteps. I hope you will come back to campus often – to share your achievements, your experiences and your insights. And as you are out there changing and improving society, the entire world over, know that all of us you have left behind will be working for you, ensuring that the value and prestige of the degree you worked so hard to earn continues to grow. Congratulations again, Class of 2021!

Donald J. Edwards,
Chairman, Board of Trustees

Congratulations, Class of 2021! College years are always a lifetime memory. But yours are literally historic, a time that your children, grandchildren and great-grandchildren will learn about during their own educational journeys. You earned your degrees amid the worst pandemic in a century, and the myriad worries, stresses and restrictions it created. A bulk of classes moved online. Attending in-person classes added COVID-19 testing to your weekly schedules. Traditional campus activities were limited, even simple pleasures like time with friends. Still, you achieved your dreams, and so much more. You also helped make the University of Illinois System a model for the nation as our three campuses remained safe and many classrooms remained open this year while peer universities struggled. It is a success story that made headlines across the country, thanks to a pioneering homegrown testing protocol and your understanding, cooperation, resilience, selflessness and sacrifice. Those same qualities will also carry you far in the next chapter of your life that begins tomorrow. And, coupled with the talents and civic-minded spirit you nurtured here at UIUC, you are primed to flourish. But first things first. Take some time today to reflect on everything you've accomplished and the tremendous milestone you have reached. There are a small handful of days in life that you will never forget. From my own experience and the beaming faces I have seen at nearly 40 years of commencements, I can tell you that your graduation is one of them. So I hope you savor every minute of it. Congratulations again, Class of 2021! It is an honor to celebrate you, joined by the proud family and friends who have supported you along the way. I hope the lessons you learned exceed the high expectations that brought you here and guide you to the future you imagined. Enjoy your day and come back often.

Timothy L. Killeen,
President

Congratulations on reaching this memorable milestone in your life and journey at Illinois. From the day you began at this university to this day when you celebrate your graduation, you have defined yourselves by your innovative spirit and desire to learn. Your achievements certainly deserve celebration. I know it hasn't always been easy. Our courses at Illinois are among the most academically challenging in the world, and you undertook them while balancing the extraordinary circumstances of this pandemic. Through every obstacle of this challenging year, you have continued to set a new standard and level of excellence here at Illinois. I hope you are proud of your efforts as you begin to use your knowledge and skills to impact our world for the better. But most importantly, I hope you are also proud of the person you have become during your time at Illinois. The Illinois experience isn't only about the classes you take or the knowledge you gain. It's also very much about the new friends you make and the Illinois family you create along the way. On behalf of our entire university community, we are thrilled to welcome you into the Illinois alumni family. I can't wait to see all of the great things you will accomplish. In the meantime, I hope you stay connected as you embark to make your own impact on the world.

Robert J. Jones,
Chancellor

UNIVERSITY HONORS

2021 BRONZE TABLET SCHOLARS

The University Honors designation, the highest academic honor awarded to an undergraduate, is limited to those students who have demonstrated their capacity for sustained academic excellence of a high order. To be eligible for this honor, students must have a cumulative grade-point average of at least 3.5 and must rank on the basis of cumulative grade-point average in the upper 3 percent of their college graduating class on the basis of all work taken through the academic term prior to graduation. University Honors recipients wear orange and blue braided cords as part of their formal academic attire.

As recipients of this honor, each of the following students will have his or her name inscribed on a bronze tablet that is displayed in the corridor of the University Library. For this reason, University Honors recipients are known informally as “Bronze Tablet Scholars.”

UNIVERSITY HONORS

CHANCELLOR'S SCHOLARS

A four-year program open to undergraduates in all curricula, the Campus Honors Program fosters collaborative relationships between exceptional students and distinguished faculty through small courses, a faculty mentor system, and competitive summer research and travel grants. Admission is awarded to only 125 of the approximately 7,000 freshmen entering the University of Illinois Urbana-Champaign each year, plus about a dozen admitted as first-semester sophomores.

The following Chancellor's Scholars are this year's graduates of the Campus Honors Program:

Kevin Eduardo Acuna, Bachelor of Music Education

Aparajitha Adiraju, Bachelor of Science in Computer Engineering

Luis F. Aragon, Jr., Bachelor of Science in Electrical Engineering

Maxwell Thomas Asselmeier, Bachelor of Science in Mechanical Engineering

Meral Betul Aycicek, Bachelor of Arts in Liberal Arts and Sciences, Global Studies, August 2020

Stephen Thomas Bean, Bachelor of Science in Aerospace Engineering

Alex Michael Berowski, Bachelor of Science in Engineering Mechanics

Gary Alexander Braznichenko, Bachelor of Science in Computer Science, December 2020; Bachelor of Science in Liberal Arts and Sciences, Statistics, December 2020

Rhea Hisako Bridgeland, Bachelor of Science in Natural Resources and Environmental Sciences

Michelle Kaley Brown, Bachelor of Science in Chemical Engineering, December 2020

Iain Wren Carpenter, Bachelor of Science in Physics; Bachelor of Science in Liberal Arts and Sciences, Mathematics

Shi-Yun Chen, Bachelor of Arts in Liberal Arts and Sciences, Linguistics

Julia Elyse Chillon, Bachelor of Science in Marketing and in Information Systems

Minwoo Matthew Choi, Bachelor of Science in Interdisciplinary Health Sciences

Olivia Grace Coleman, Bachelor of Arts in Liberal Arts and Sciences, Spanish; Bachelor of Arts in Music

Savannah Maria Cornejo Garcia, Bachelor of Arts in Liberal Arts and Sciences, Political Science and Psychology

James Christopher Dourdourekas, Bachelor of Science in Mechanical Engineering

Kevin Michael Eberhardt, Bachelor of Science in Computer Science

Fionna Rose Ek, Bachelor of Arts in Music

Emma Elizabeth Erickson, Bachelor of Science in Electrical Engineering

Jacob Wesley Fritchie, Bachelor of Science in Physics

Ethan Murphy Frobish, Bachelor of Arts in Liberal Arts and Sciences, English and Creative Writing

Patrick Joseph Gallagher, Bachelor of Science in Computer Science

Lauren Elizabeth Gherna, Bachelor of Arts in Liberal Arts and Sciences, English, December 2020

Abigail T. Hack, Bachelor of Arts in Liberal Arts and Sciences, Global Studies and History

Chance Ackerman Hamblin, Bachelor of Arts in Liberal Arts and Sciences, Linguistics

Leah Haynes, Bachelor of Science in Liberal Arts and Sciences, Mathematics; Bachelor of Music

Katelyn Rosalie Helmold, Bachelor of Science in Liberal Arts and Sciences, Statistics

Destiny N. Henning, Bachelor of Science in Liberal Arts and Sciences, Molecular and Cellular Biology

Victoria Cristina Heredia-Ferran, Bachelor of Science in Management and in Marketing; Bachelor of Arts in Liberal Arts and Sciences, Spanish

Brianna Ella Huff, Bachelor of Science in Animal Sciences

Andrew James Hood Ingram, Bachelor of Science in Liberal Arts and Sciences, Statistics and Economics

Randy D. Janson, Bachelor of Science in Mechanical Engineering

Elisabeth Grace Jaszka, Bachelor of Science in Accountancy

Maxwell Jong, Bachelor of Science in Computer Science

Brianna Kimora Jordan, Bachelor of Science in Supply Chain Management and in Marketing

Eric Uisung Jung, Bachelor of Science in Kinesiology; Bachelor of Science in Liberal Arts and Sciences, Molecular and Cellular Biology

WELCOME TO THE FAMILY

WHEN YOU BRING THE BRIGHTEST MINDS TOGETHER, EVERYTHING CHANGES.

Since 1867, the University of Illinois Urbana-Champaign has tackled global problems and expanded the human experience. The more than 460,000 alumni worldwide have a history of turning what might be possible into a reality.

As you take your next steps, remember that the familiar Illinois orange and blue is never far away.

CONGRATULATIONS, CLASS OF 2021!

STAY CONNECTED

The list of May graduates is as accurate as possible. However, because of production deadlines, names of some degree recipients may not appear, while names of degree candidates may appear even though they have not completed their degree requirements.

The University's official registry for conferral of degrees is the Office of the Registrar, 901 West Illinois Street, Urbana, IL 61801.

Produced by the Office of Public Affairs in collaboration with the Office of the Registrar for the Office of the Chancellor. The University of Illinois is an equal opportunity, affirmative action institution.
